Why Choose Studio Cambridge?

Why choose Studio Cambridge?

A PROVEN HISTORY

Studio Cambridge has been running English language camps for over 50 years.

CHOICE OF LOCATIONS

Our camps are run at our own school in Cambridge, at Cambridge University colleges, and at some of the best schools or campuses that England has to offer.

DESIGNED FOR DIFFERENT AGES

Each of our English Camps is intended for a specific age group. The academic, social and sports content, the accommodation, and the level of welfare and supervision are all carefully designed according to the age range.

TEACHING TO INSPIRE

Our teaching concentrates on improving vocabulary and speaking skills. In this way we build on the English students have already studied in their home country.

CLASSES AT THE RIGHT LEVEL

All of our camps provide classes at a wide range of levels. Students are tested online in advance and placed in the right class to meet their learning needs.

OPTIONS AND THEMES

Some of our camps have options and themes. These include:

- Global Leaders
- Cambridge University Discovery
- Life Skills for Teenagers

Our mission is to bring together people from around the world to learn English in England and to encourage intellectual curiosity, cultural awareness and tolerance in all that we do.

We aim to provide a safe, welcoming environment in which our students can improve their English language skills and gain insight into British life, culture and heritage, both inside and outside of the classroom.

ENVIRONMENTAL AND SOCIAL RESPONSIBILITY

Studio Cambridge brings people of many different nationalities and languages together in a friendly and nurturing environment. Through our work with national and international charities, we try to ensure that Studio Cambridge is a school of which our students, staff and partners can be proud.

Green Tourism

In 2014, we were the first UK English language school to join the Green Tourism scheme. Green Tourism is a not-for-profit organisation which helps us to focus on sustainability. By joining the scheme, we have committed ourselves to reducing or offsetting any negative impact our business practices may have on the environment.

The Woodland Trust & Street Child United

In line with the Green Tourism scheme, Studio Cambridge makes charitable donations to the Woodland Trust and its unique Woodland Carbon scheme. The Trust creates native woodland in the UK, as well as protecting existing forests and trees throughout the country.

We are an official supporter of Street Child United, the Cambridge-based charity behind the Street Child World Cup. They provide a global platform for street children to be heard and challenge the negative perceptions of street children across the world.

Memberships and Accreditations

Studio Cambridge is part of the Full Circle Education Group of Schools, which also include St Bees Cumbria, Our World English Schools and Adventurous Global Schools.

Studio Cambridge is inspected and accredited by, or a member of, the following organisations:

Accredited by the
BRITISH COUNCIL
for the teaching
of English in the UK

Our partners

We have been offering courses on the campuses of university colleges and boarding schools for more than 50 years. However, these institutions are not responsible for our courses. Studio Cambridge is a booking agent which contracts Cambridge Colleges and other providers for use of their facilities. We are solely responsible for the design and management of these programmes which are accredited by the appropriate government-recognised organisations.

Accessibility

Our camps are held at schools or university colleges, with differing levels of accessibility for students with disabilities. If you have a physical, mental or learning impairment or special educational need, please inform us prior to enrolment. We will be pleased to advise on the suitability of each of our camps, educational programmes, activities and accommodation.

THE TOWN OF ELY

Ely (pronounced to rhyme with "freely") is a beautiful, peaceful city in the heart of the Cambridgeshire countryside - the ideal setting for this age group. It is 25 kilometres north of Cambridge and 120 kilometres from London.

Its magnificent cathedral, established in 1083, dominates the city and makes this one of the finest and most unspoilt mediaeval cities in England. Many of the ancient buildings are part of King's teaching centres and student residences.

The city centre has a traditional English feeling, with shops and a market square. With a population of only 20,000 people Ely feels more like a village than a city - everything is close-by and the atmosphere is friendly.

THE SCHOOL

Founded in the year 970, King's is one of the oldest schools in the world. King Edward the Confessor, who died in 1066, was educated in the magnificent buildings around Ely Cathedral which are still used by the school today.

You will live on-campus in one of the wonderful, old residences (perhaps even in School House – the oldest inhabited residential building in Europe). Your time here will be something to remember for the rest of your life.

Students must be in residence by 21:30 each evening and in bedrooms by 23:00. There is a strict ban on smoking and alcohol on the campus. This applies to all students, regardless of age.

Cambridge University Discovery theme

The Sir Christopher summer camp offers an opportunity to learn more about Cambridge University life (see page 6).

Themed lesson topics include famous Cambridge students, sporting traditions, scientific discoveries and the university's unique history. Activities include guided tours of "hidden" Cambridge, true and false myths about Cambridge and a lecture series.

Our lectures are included in our activity options, and cover a range of topics presented in a visual and interactive format. They give students the opportunity to hear and meet our academic lecturers and students from the University.

Activities

13 sessions of activities per week on the classic course

9 sessions of activities per week on the intensive course

There is a varied programme of sports, social, cultural and art activities during the week on- and off-campus at no additional cost. Evening activities are optional.

ENGLISH AND LIFE SKILLS FOR TEENAGERS

As well as learning English, students will discuss problems and difficult situations associated with modern life that many teenagers around the world are facing today or will face in their future. They will compare how they and their friends deal with problems and hear what their classmates do in their countries. Students will be presented with strategies and we hope that by talking them over, they will be better equipped to overcome future challenges. The areas covered are sometimes not covered in traditional education, such as:

- How to be a successful teenager
- Leadership
- Global Issues
- People from around the world
- How to survive modern life
- Relationships
- Technology and business
- Solving problems and teamwork

WELFARE

Sir George has a dedicated Welfare Officer who is concerned specifically with your well-being. Each evening you will be required to be home at your homestay by a set time - "curfew" - and we liaise with your host to ensure that this happens.

EXCURSIONS

Excursions are usually available for Sir George students as an option every other weekend, at additional cost. A full-day excursion to London, for example, costs approximately £45.

ACTIVITIES & GUIDED STUDY

Each week the Sir George camp offers 3 sessions of guided study and 2 sessions of cultural activities after your lessons. All are included in the fees.

During guided study, work is set by your teachers and there is help available from a member of staff. Its aim is to reinforce and extend what you learn during your lessons, thereby helping you make quicker progress.

Cultural activities offer a range of indoor activities or a cultural visit to a place of interest in the city - such as punting on the river Cam, King's College chapel or the Fitzwilliam museum.

HOMESTAY ACCOMMODATION

Living with a host family in Cambridge in their private home - a "homestay" - is a great way to practise English in a relaxed environment outside of classes. Our hosts are known to us personally and we inspect all of them regularly. They provide a friendly environment, a clean and comfortable bedroom, good food and a quiet place for study.

Homestays are normally located less than 40 minutes from school on foot, by bicycle or using the frequent bus services. Our hosts are typical of British and Cambridge society as a whole with different ages and occupations, and from a variety of ethnic and cultural backgrounds.

Bedrooms are usually shared with another Studio student of similar age and different nationality. Some singles are available. Your host will wash your clothes once per week and bed linen and towels will be provided and regularly changed.

AIRPORT TRANSFERS

Sir George students will be met at the airport of arrival in London by a Studio Cambridge representative on the Sunday of the start of the course. He or she will arrange your transportation to your accommodation by taxi. You will then be taken back to the airport on the Sunday at the end of your course and helped to check-in.

The cost of this Sunday service from Heathrow or Stansted airports is included in the fees. A small supplement is charged for Sunday service to Gatwick or Luton airports. If you plan to arrive on a different day or at a different airport please contact us. Additional fees will apply.

We must know your travel arrangements in advance. You can choose to make your own arrangements to come to Cambridge but we will need to know the details in advance
